Letter of Internship

Dear Khadeer Pasha,

On behalf of **REGex Software Services**, I am delighted & excited to welcome you as a **DataScience intern** effective from 11th Jan 2021. At REGex Software, we believe that our team is our biggest strength and we take pride in hiring only the best and the brightest. In this internship you will work as a DataScientist with your assigned team & report directly to your mentor.

This is a non-paid academic internship.

We look forward to the opportunity to join our team with a positive response. Kindly sign the duplicate of this offer as your acceptance and forward the same to us.

Sincerely,

Sushil Kumar
(HR & Marketing Head)
